

34th Annual Georgia College Regional Science & Engineering Fair 2011: Grades 9-12

Project No.	Project Name	Grade	School	Presenters	Ribbon	STATE	Special Award
3rd Place: white ribbon							
1009	Sliding friction	10	Washington County High School	Morgan Morris	3		
906	Global Warming and CO ₂	9	Washington County High School	Bethany Severance	3		
1104	The effects of deep touch therapy	11	Washington County High School	Colleen Wright	3		
1002	As the mold grows	10	Baldwin High School	Kayla Miller, Taylor Martin	3		
1007	How does drag/gravity affect the distance/velocity at which a paint ball is shot?	10	Washington County High School	Cole Cabe	3		
908	Macroinvertebrate water quality testing	9	Washington County High School	Makayla Moon	3		
1109	Which has more electrolytes: gatorade or orange juice?	11	Washington County High School	C.J. Joiner, Stephen Brown	3		
1003	Are more expensive golf balls worth it?	10	Washington County High School	Jarrett Archer	3		
1201	Osmosis across an animal membrane	12	Jones County High School	Keenya Riggins, Jessica Whaley, Hallie Pounds	3		
1005	Wood or Aluminum	10	Washington County High School	Cody Smith	3		
1011	More Power to the Plants	10	Baldwin High School	Amy Queen, Marana Gainer	3		
907	The effects of detergent on plant growth	9	Washington County High School	Macy Youngblood	3		
1106	Which homemade instrument predicts weather best?	11	Washington County High School	Micah Lacey	3		
902	The Nose Knows	9	Washington County High School	Tia Wiley	3		

Project No.	Project Name	Grade	School	Presenters	Ribbon	STATE	Special Award
2nd Place: red ribbon							
905	Baby food and the degree of contamination	9	Washington County High School	Hannah Lacey	2	ALT	
1006	Does the amount of air pressure in a soccer ball affect how far it will travel?	10	Washington County High School	Emily Snider	2	ALT	
1108	How to build a crystal radio	11	Washington County High School	Ronak Chauhan	2	ALT	
1010	How a species-specific DNA sequence fingerprint helped identify an invasive insect?	10	Howard High School	Carolyn Krauss	2	STATE	
1008	Ask a Cricket, "What is the temperature?"	10	Washington County High School	Meghan Toler	2	STATE	
903	DNA: The information highway	9	Washington County High School	Bryce A. Sheppard	2	STATE	
1012	Low Fat vs. Full Fat	10	Baldwin High School	Rachana Patel, Jakira Trawick	2	STATE	
1110	What is the effectiveness of garlic upon bacteria?	11	Washington County High School	Caleb Seales	2	STATE
